### 1.10. Late Athlete Replacement (LAR) Policy

The deadline for Sport Entries of participating Athletes for the MINSK 2019 is 20 May 2019.

However, where urgent medical problems arise, or in other exceptional circumstances that are assessed on a case-by-case basis, the EOC may permit permanent replacement of one Athlete with another only in the same sport, discipline and event.

During the European Games, it is the policy of the EOC that P-accreditations are not available.

Replacement of an Athlete can only occur after consultation with the relevant International Federation (IF) and/or European Federation (EF) and, when deemed necessary by the EOC, an EOC medical expert.

Replacement of Athletes due to Medical reasons after 20 May 2019 and up to 2 hours prior to the Sport Technical Meeting, or weight draw as appropriate, is possible, providing:

- The replacement Athlete is entitled and qualified to take part in the European Games as stipulated in the Qualification systems issued in 2018 and regularly updated by the EOC and MINSK 2019 European Games Operations Committee (MEGOC);
- No doping control issues are pending concerning the replacement Athlete;
- The NOC of the replacement Athlete has to apply for accreditation for the Athlete prior to the application for accreditation deadline (28 February 2019).

Non-Medical replacement of Athletes is possible after 20 May 2019 and up to 24 hours prior to the Sport Technical Meeting, or weight draw as appropriate. NB: Deadlines for Medical and Non-Medical replacements are different.

For Non-Medical replacements, in order to keep changes at a manageable level and support a sustainable level of resourcing within the MEGOC Sport Entries Team, a limit on changes to an NOC's delegation has been put in place.

Each NOC shall be allocated a quota for Non-Medical replacements based upon the NOC's overall number of Athletes.

Number of Athletes	Quota for Non-Medical LAR
From 1 to 10	1
From 11 to 20	2
From 21 to 50	5
From 51 to 100	10
From 101 to 150	15
From 151+	20

Following confirmation from the MEGOC Sport Entries Team that the submission procedure has been correctly completed an application for LAR shall be approved by:

- Technical Delegate for the relevant sport or discipline, on behalf of the EF;
- Designated representative of the EOC.

The following additional procedures must also be carried out in order for one Athlete to be replaced by another:

- The relevant NOC must fill out an Official Athlete Replacement Form for the Athlete being replaced and the replacement athlete;
- The relevant NOC must add the new Athlete's details to the Eligibility Conditions Form which they already hold and, when required, to the Sport Entry Form for the replacement Athlete;
- The accreditation card of the replaced Athlete must be withdrawn.

Following the Athlete replacement, the accreditation card of the replaced Athlete shall be cancelled. Procedures relating to the replaced accreditation card will be released in due course.

Once a replacement Athlete has been approved, that individual Athlete cannot be replaced for Non-Medical reasons.

All documentation and queries regarding this matter should be sent by email or submitted in person to the MEGOC Sport Entries department:

- In AVL – Sport Entries and Sport Information Centre;
