NOC may also withdraw an athlete or official after the closure of Short List right up to the TLM for the relevant Sport. The participation fee will not be reimbursed if a withdrawal occurs.

## 4. Accommodation

The city of Maribor has a great location, as it lies at the foothills of Pohorje and everything is relatively close and centralised around the city centre, which means that AVLs (NOC delegations) and 4 and 3-star hotels (referees, ITOs, media and others) are minutes away from the sports venues and accompanying events. For example, from the farthest point, Pohorje Hills, to the Athletes' Village 1, the distance is 5 kilometres or a 15-minute bus ride.

Most NOCs will be accommodated in AVL1, others will be placed in AVL2, AVL3, and the surrounding Satellite Dormitories.

The exception are the volleyball teams and their delegations, who, for reasons of logistics, will be staying on the Pohorje mountain range, at the Pohorje Village resort (close to the sports venue). The other exception are boys' handball teams, who are staying separated from NOC's delegation, since they are accommodated just next to the competition venue. The same level of standards will be provided for every NOC.

The Athletes' Villages will be open 24/7. Entry into individual zones will only be allowed with accreditation.

Other groups of guests will be accommodated in hotels in close vicinity to sports venues and the AVLs. Hotel Habakuk 4\* will be EOC Family hotel, the supportive EOC Family hotel will be the nearby Hotel Arena 4\*.

Guests like referees, ITOs, media and others will be accommodated in various 4 and 3-star hotels in the city of Maribor.

All samples will be analysed at the laboratory accredited by the World Anti-Doping Agency in Seibersdorf, Austria.

Bottled water and soft drinks will be available for athletes at the doping control station, but no food. Athletes or their support staff can bring food for athletes if needed.

### 8.1. Medication Use and Therapeutic Use Exemptions (TUE)

It is the responsibility of the athletes to determine whether a substance they are using or considering using is prohibited. New TUEs should be sent by 26 June 2023 to [tue@ita.sport](mailto:tue@ita.sport) and we advise to contact your NADO beforehand. All participants, NOCs, IFs and EFs are strongly advised to refer to [Article 4.4 of the EOC Rules](#), which sets out the provisions regarding TUEs.

In particular, the ITA's TUEC (TUE Committee) will automatically recognise TUEs previously granted by your NADO and IFs for purposes of the Event without the need to review the relevant clinical information. If the TUE is correctly entered in ADAMS, there is no need to contact us. Nevertheless, should you require a confirmation, you can submit your request to the ITA in writing quoting your ADAMS TUE reference number.

ITA will manage the Therapeutic Use Exemption program with the support of more than 20 medical experts that form the [ITA International TUE Committee](#).

At all times, athletes are strongly advised to check the status of the medications they are using or considering using with their team doctors. If, during the Games, further clarification is required, the athlete should check with the NOC Medical Officer(s).
