National marks [●] can appear also on jackets and breeches in accordance with the FIE's "Logos of the national colours on clothing approved by FIE".

All designs must be submitted to the FIE for approval at the latest 30 days before the Olympic Games.

Section 12 · Homologation Marks

A homologation mark [◆◆] must appear on all blades, under plastron, jackets, masks, and electric jackets, and include the *Identification of the Manufacturer*, the date of manufacturing and the FIE logo.

Electric jackets must carry the *Identification of the Manufacturer*, the date of manufacturing and must be located as follow:

In Saber: one *Identification of the Manufacturer* for clothes will be resolved to the maximum size of 30cm². The homologation mark should appear at the basis of the electric jacket, (except on the electric surface) and on the side of the non-sword hand.

In Foil: The homologation mark must be located at the back of the electric jacket, on the belt surface with the maximum size of 30cm². No additional identifications should appear with the above authorised homologation mark and *Identification of the Manufacturer*.

Section 17 · Submission Process

Items which must undergo a mandatory verification process by the FIE are the following: weapons, body wires, jackets and breeches, conductive jackets, gloves, masks and mask-to-jacket leads.

All items which have been checked by the FIE will be distinctively marked. A special stamp is used to mark the mask, glove, under-plastron, conductive jacket and masks. A special ink or paint is to be used to mark the guards, blades and points of weapons that have been checked.
