SUBMISSION PROCESS

The IOC has set up a new tool for items to be reviewed and offer assistance. The new Uniform Submission tool is now live on [RELAY](#), where uniforms can be submitted to the IOC for review.

If you are an NOC who does not have access to RELAY and needs access to submit the uniforms, please email nocnet@olympic.org

As in previous Games, while the process is not mandatory for this sport, it is still highly encouraged to submit uniform for review to minimise any possible Games-time issues. Once a submission has been made through the IOC's online submission tool, NOCs will be notified of the "reviewed" or "non-compliant" status of their submitted items.

All NOCs should ensure that all equipment to be used during the Olympic Games complies with [UCI regulation 11.1.010](#).

Each licence holder shall ensure that the equipment he/she uses on the occasion of Road and Track events shall be approved by the UCI according to the specifications of the Approval Protocols in force and available on the UCI Website according to [UCI article 1.3.001bis](#).

NOCs shall submit to the commissaires' panel at rider confirmation, a sample of their national team clothing for validation.
